This listing of claims will replace all prior versions and listings of claims in the application.

Listing of Claims:

1. (Original) An electret condenser, comprising:
a first film including a first electrode;
a second film including a second electrode and an electret film;
a first insulating film formed between the first film and the second film; and
an air gap formed by removing part of the first insulating film,
wherein respective parts of the first film and the second film exposed in the air gap are
formed of a second insulating film.
2. (Currently Amended) The electret condenser of Claim 1,
wherein at least one of the first electrode film and the second electrode film has a through
hole communicating with the air gap.
3. (Original) The electret condenser of Claim 1,
wherein the second insulating film is an insulating film having tensile stress.
4. (Original) The electret condenser of Claim 1,
wherein the second insulating film is a silicon nitride film.
5. (Original) The electret condenser of Claim 1,
wherein the first insulating film is a lamination layer of a plurality of insulating films
made of the same material.
6. (Original) The electret condenser of Claim 1,
wherein the first film is a fixed film, and the second film is a vibrating film.
